A complete set of International Flat Rates exists for Enterprise Rent-A-Car branded locations in countries throughout Europe, the Middle East and Africa, and National Car Rental branded locations in countries throughout Latin America and the Caribbean (LAC), Asia and the Pacific Basin. International Flat Rates are accessible through all reservation systems worldwide.

Terms and Conditions for International Flat Rates:

Priority and applicability of cover is regulated by the controlling jurisdictional law. These rates do not include any Damage Waiver or similar vehicle physical damage or loss protection unless required by law or unless indicated as an Inclusive Rate at the time of reservation using the Account Number for a Business Use rental. The Eligible Renter may elect to purchase optional protection products separately at the time of rental. Rates identified as "Inclusive" only provide the specific protection products detailed for each particular country and identified at the time of reservation and are not available for Leisure use rentals. The specific terms of any protection product included in Inclusive Rates for each specific country are provided at the time of reservation and more fully disclosed in the applicable Rental Contract.
2. All Eligible Renters and Additional Authorized Drivers must have a valid driver's license and meet the age, driver, and credit qualifications of the location in which the rental originates. Eligible Renter, and in certain instances additional authorized drivers, must execute the Rental Contract of the applicable rental facility from which the vehicle rental originates. Each rental shall be subject to the terms and conditions applicable for the originating rental location.
